“ My name is Tim Roller. I pastor GraceWay Fellowship Church in Mooresville, IN. We have a ministry where we visit Millers Merry Manor singing and sharing the gospel. "Jo" was always in attendance in our service and always expressed her gratitude to us for coming. She was very special to all of us. She loved hearing me play my banjo and told me to bring it every time. The last time I got to see her is when she was in the rehab side of Millers. I just found out this morning of her passing. I'm sad but rejoice that she is with the Lord. I was looking so forward to seeing her Christmas village set up this year. She was a very sweet lady that we will miss.
