“ Jean and Bob were my neighbors for more than 30 years. I could have never had better neighbors than them and were lucky my children grew up next door to such wonderful people.

“ Jean was my second grade teacher at Ellettsville in 1964 and was one of my favorite teachers. I stopped by to see her at the old Grandview School several years ago to say hi to her.

“ I am so sorry for your loss. She was my wonderful third grade teacher at Grandview in 1968-1969. She will always be my favorite teacher. She opened up a world of books and reading to me with *The Boxcar Children*, *The Little House on the Prairie* and *The Bears of Blue River*. She will be missed by many.

“ So sorry for your loss. I remember getting whipped by her no less than 6 times in one year. She used to swing that paddle like a baseball bat. If we had more teachers like her this world would be a better place. Condolences to your family.

“ Dear Marilyn and Carol,

We were so very sad to read about your mother in today's paper. Her last years were difficult, but she did have the love and attention of two caring daughters. And these last few days she seemed so at peace and alert, always smiling when we spoke to her. Berge joins us in sending you and your families our deepest sympathy.

Love,

Diana, Richard & Berge
