“ *I read that Norm passed away. Very sorry for your loss. Over the years I had several conversations with him and what was written about him is so true. Very friendly and was an excellent neighbor. Wishing you all the best, Gary Chambers*

“ So sorry to hear the news of Norman's passing. I know in later years my Dad spoke often of him, so I know they stayed in touch as long-time neighbors.

It's been so very long since I've seen any of you. My condolences and sympathy to you all at this stressful time.

I have good memories of growing up in Fairwood Terrace and they become even more special with the passing of years.

My best to all

“ Suzie (and all others), I am so sorry to see of your dad's passing in the paper. Mom still lives in Fairwood Terrace and every time I go out there I do a "drive by" of everyone's house and remember all the good times we had. Your dad was always so nice (but quiet, ha) and put up with ALOT of kids roaming his yard and house. Suzie, I would love to touch base with you and catch up! I've tried to find you on facebook but to no avail. I know this is a difficult time for your family. Please tell your mother I said hello and you are all in my prayers and memories!

*Love,
Beth*
