“ Pam and I worked together for many years and it saddens me to hear of passing. You could not find a sweeter, kinder person than Pam and she touched everyone she worked with. We worked together before and during her becoming a mother and she loved and cherished her children so much! She really was one tough lady as was a slightly older mom and worked until she was close to her due date. She also worked until she was older to retire. Pam was a family members home care nurse and she was as just as sweet and caring then as was when we worked together. Love you Pam! Fly high angel!
