“ Susie, I was so sorry to hear about your Mom's passing. I didn't make it to the visitation, but I want you to know I was thinking about you and your family. I know what a close family you all are and can only imagine how difficult this time must be. Please know we are sending love, prayers and asking God to give you the strength you need as you adjust to the end of your Mom's Earthly Journey here with you. We believe and know, we will see our loved one's who have gone before us again. Love, Becky and George
