“ Vickie and family, my heart goes out to you. I dearly loved your Mom and some of the happiest times of my life were the years that I worked with her in the dish room at IU. Pat was like a 2nd mom to me. I still have the afghan she made for Kayley when she was born over 15 years ago. I will always hold Pat in a special place in my heart and I will always love her. I love you too Vickie and please get in touch with me if you need anything or if you just need to talk. My heart is heavy. I will keep you all in my prayers. Much Love.
