September 8, 1938 - August 30, 2021

Patricia Ann Washburn, 82, of Bloomington, it is with heavy heart we announce that Pat passed away peacefully at home after a short battle with pancreatic cancer. She was an amazing light in this world and deeply touched those around her. She is now free from pain and able to reconnect with family, friends and fur babies who left before her. Washburn; her sister, Carol Foster; nieces, Shelley Stoltman, Jill Cunningham; and several Washburn family members. She is also survived by and will always be fondly remembered by a large circle of wonderful and loving friends that anyone would have been lucky to call "friend".

Pat was preceded in death by her parents; son, Mark Wesley Washburn; husband, Raymond McClean Washburn; nephew, Michael Thompson; along with many Washburn family members.

“ It's a very emotional thing for so many people to lose Pat! Condolences and prayers for Tracey and the rest of Pat's family. <3 What a dear friend she was to so many! I have mixed emotions of sadness that she's gone, and joy that her pain is over and she's in Heaven! Pat has been a friend to our family (the Morgans) for over 50 years, ever since we were neighbors in Boyne City Michigan. I remember how she loved on hurting animals and people. She had a cute 3-legged dog in Boyne that all the neighborhood kids were so impressed with as he bounded around so well! Pat and my mom Marlene used to often take bike rides in hilly Boyne City . . . what a workout! :) In recent years, even though she was long-distant, Pat was still a dear and supportive friend to my mom. She will be missed so much! <3

“ Pat lived up the hill from our family on Clute Road when I was growing up. She was a wonderful friend to my mother, Marlene Morgan. I remember her always being cheerful and smiling. She and Mom used to ride bikes together and they chatted often on the telephone. I also remember how I loved her red lipstick. She knew how to rock it! I'm so sorry for your loss. Sending prayers.

“ I am so very sorry to hear that Pat had passed away, but that she is out of pain.

I'm so sorry Tracy that she is gone but knowing she is in a better place. I'm sure she and Marleen will meet up and have a few laughs

.
She was such a good person and what a blessing for you to have had her for your Mom.

“ Sad to here of Pat's passing. I remember working with her on the PCU unit at Bloomington Hospital. She was one of the good and fair nurses that it was a joy to work with. She could joke and smile and laugh even when it was a stressful busy evening. She worked right along side of us and got it done. I am so glad to have crossed her path in life.

“ I worked with Pat 20 years ago, but I remember her fun-loving personality and the great care she provided to all her patients as if it was yesterday. She had a gift of always looking at the positive side of any situation. I will forever feel blessed for having my path crossed with hers.

My deepest condolences to her family and friends, whom she loved very much!

“ Pat was a beloved member of the Bloomington Hospital PCU group. All her coworkers at Bloomington Hospital before it became IU Health have talked about how wonderful it was to work with Pat. She was a special friend to me and I loved her very much!
