

Patricia Louise Webb

January 18, 1930 - July 2, 2020

Patricia Louise Webb, age 90, was peacefully released from her battle with Alzheimer's on Thursday, July 2nd, 2020 surrounded by family at Stonecroft Health Campus.

Patty was born in Kokomo, Indiana to Marcellus and Elizabeth (Betty) Lang on January 18th, 1930 and graduated from Kokomo High School in 1948. She married Robert W. Webb on August 27th, 1949 and dedicated her life to supporting their household. After raising their four children, she worked in the Bursar's Office at Indiana University – Bloomington until retirement.

Patty loved word puzzles, reading, jigsaw puzzles, and caring for her family, especially her grandchildren. Bob and Pat shared a love of walleye fishing, making and listening to music, and swing dancing, along with traveling together all over the world. Their dedication to each other lasted 69 years with Bob caring for Patty every day in the nursing home until he passed in August 2017.

Pat was preceded in death by her parents, siblings, her loving husband, and their son, Dan, whom passed away in February of 2020.

Pat is survived by her children: Jane Price and husband Carl; Libby Webb and husband Gary Ander; Anna Marie Butcher and husband Mark; and daughter-

in-law, Carol Webb. She is also survived by her grandchildren: Maggie, Robyn, Emily, Katelyn, Michael, and Tyler; her dedicated caregiver Thomas Reed; and great-grandchildren: Amelia, Isaac, Charles, Mason, Katie, Avery, Peter, Maisey, and Finley.

In lieu of flowers, please extend an act of kindness to someone you care about or a complete stranger in honor of Pat.

A private family service will take place in the fall, when all family members can gather to remember Pat and her son, Dan.

“ My thoughts and prayers are with your family right now. I used to work with Pat during her time at the Bursar Office. I loved working with her. I was sad to see her go. She was a very caring person. She always had a smile on her face. I don't think I ever saw her in a bad mood maybe if she didn't feel good which wasn't often.

Thank you, Barbara. Yes, Mom was a favorite of all the nurses and caregivers over the years. She always had a smile, a hug, and a gentle spirit. She will be missed.

Thank you Marti and Jim! Mom ALWAYS pointed out your house to me every time we passed it when she was still able to enjoy a car ride! She often talked to me about you, Marti. And getting her hair done weekly was undoubtedly her most favorite thing in the world to do. Dad had to work his weekly agenda around Moms hairdressing appointments. It was the LAW haha. I'm so, so thankful she's at home now! Thank you for your remembrance it means the world to us!

“ I am so sorry to hear of Pat's passing. She lived a long and full life. I worked with her in the Bursar Office and loved hearing about their fishing trips and her family. She was a beautiful person both inside and out. May God be with all of you during this difficult time. Brenda Hanners

“ Dear Family: This is from Gerry Miller

Your dad worked with my husband, John Miller for many years and ran the IU Health Center along with Doris Lotz and others. John always thought very highly of your dad, and Bob and Pat were good friends of ours socially. I am so sorry that your mother suffered with dementia and these last years were really hard for all of you. Also I had not realized that Dan had died. John passed away two years ago with a severe stroke and lasted a year after that. Art Lotz and I are now living in the Meadowood Health Pavilion in an apartment and we see each other frequently. He is in pretty good health with some memory issues. Please know that you all are in my thoughts and prayers.

Fondly, Gerry

*Thank you Gerry for your post. Of course we all fondly remember you and John! It's good to know that you are settled at Meadowood. Jane, Libby and I were fortunate to be able to be with and treasure Dad, Dan and Mom during their end of life journeys. We are so grateful Mom is free and dancing with Dad again! Thank you for your remembrance. Love from all of us Webb girls!
