“ My condolences to the family. Patty was a very positive fixture at the VFW club and did so many wonderful things for the children's Christmas party every year, as well as many other wonderful things. Patty worked tirelessly each year for the club picnic. She was a friend to both of my parents as well as many other people that I grew up around going to the club every weekend. It was a family atmosphere and Patty made it an even better place. Deepest sympathies.

“ My sincere sympathy to Jerry, Ted, Shane and their families. Patty often told me about her family in which she was very grateful and proud. She will be remembered as a trusted friend and a devoted worker for the VFW Auxiliary for which she gave all the years following her retirement. We learned much from each other and I shall miss her very much. Rest in peace, Patty old friend.
