“ We're so sorry to hear about Patsy's passing. My husband sold her the condo on Forest View and I manage the HOA in Forest View and I knew she had been sick. We're so sorry for your loss. She was a delightful person and a joy to be around.

“ Please accept my condolences.. This is bitter sweet.. You know the suffering is over and your loved one is at peace in Paradise with the Lord our Father. Know that your memories will get you through the many tough times you will encounter during your grief. Cry plenty, pray often, eat well, and take a deep breath as often as necessary for your own peace and comfort.

“ My favorite memory of Pat is when the church changed bagel companies! She didn't like the new company and she ALWAYS looked forward to her chocolate chip bagel every week! Luckily we changed back and then she told me her real favorite was blueberry scones! I brought her one every time I had coffee bar because she was so adorable. I will miss her dearly.
