“ I always felt loved in Peggy’s home, and I will cherish the memories I have of her. Even though she cared for so many children, she had a way of making us all feel special to her. My sympathies to her wonderful family.

“ Although I only spoke with Peggy a few times, she was always quite gracious each time. The Thomas’s have become like family to us with our daughter working at the day care that Julie now runs for several years and Peggy always treated Alesia like she was one of her own kids. May God wrap her s arms of comfort in the coming days and weeks in the form of family and friends and know you are all in our prayers.

“ *My sincerest condolences to all of Peggy's family and friends. Peggy was always so sweet and accommodating when I would visit her home. Sherry and Linda both have that sweet accommodating nature as well. Peggy and Larry raised wonderful children; Brent and Brad were two of my closest childhood friends and both were groomsmen in my wedding. For many years, Bernard's side of the Hudson family would spend Memorial Day weekend camping down at the Old Mill with all of Truman's family; those were some of the most "memorable" days of my life. I'm praying for all of you...praying for peace and healing as you transition through this difficult time.*

“ God bless the family and friends and May He comfort you in the special way He can only do. I haven't spoken to Peggy in years but my mom always took us trick-or-treating to her house. My mom liked it as much as we liked the candy because Peggy always had her Christmas decorations starting to go up and they would talk about them. RIP Peggy. I always knew you as a very sweet and caring person. 🙏
