“ So very sorry to hear of Penny’s passing. We recently chatted on FB and she was speaking of her grandchildren and how proud she was of them. Penny and I went to school together from Grandview to North and rode the bus together. I had seen her a couple of times in the last few years , I now live back in Florida and will not be able to attend her funeral. My thoughts and prayers are with her children and her family.

“ I met Penny as a child, we grew up together and lived in the same neighborhood, Highland Village. I have so many fond memories from all through the years. She was a special person and I am blessed to have known her. I am sad to say that I had not seen her since her last move but at least I have talked to her and been in contact. Prayers for her family, I know she loved you all so much.
