“ *My thoughts are with Robert, Carolyn, Terri and Mona. I can
remember and treasure the memories of walking into the house on
Fairfax Road and seeing Phyllis cooking and smelling the creation
she was making. I Loved her Chili, and she knew that. I spent many
hours and days in that house and she was not only my best friends
mom., but she was a mom to me as well, always caring and
concerned about me. When Robert and I made "mistakes in
judgement" she would scold me right along with him, and as i grow
older i find myself missing those words. Truely a sad time for the
Robertson Family, know you are in my thoughts and prayers.
Clarence, i want you to know to that you were a father to me in my
eyes as i was growing up, and i want to thank you for being that to
me....May God Bless all of you.*
