“ I want to say thank you for everyone's comments. I knew most of you and know my father cared about each one of you. Your comments bring warmth to my heart. My father was an amazing man. As I said during the funeral his life can't adequately be summed up in a few minutes, hours, or days. He truly loved people and the interactions he had with them. He was a self-sacrificing, open-hearted, man with unending love. These traits are so important within people; therefore, I ask that each of you and everyone that knew him share a story of how he impacted your life in these ways. This will help to keep his memory alive in our hearts, memories, and minds. Also, it will allow the character traits he so valued to be used and talked about by the ones he called friends.

Thank you,

Nick

“ We would like to thank everyone for their kind words and wonderful memories of my dad. It was truly amazing to see all the people who thought enough of him to come and pay their respects and share their stories about him. Dad was indeed a special person that loved life and didn't waste a day. I hope we can all learn from him to not take a day for granted.

“ I never knew the man as well as I knew the boy and what a fun cousin. My favorite memory was when Randy and Joe Eddie went mushroom hunting and brought back a big sack full of mushrooms. Aunt Jean fried them and I did my part in eating them. I am so sorry for your loss.

“ Our thoughts and prayers are with his wife and family. We truly enjoyed many days at the ball field with Randy. He was a wonderful coach and person and such an inspiration to all who he came in contact with. Even during his illness he was a fighter and an inspiration. He will truly be missed, and may his legacy be carried on through all those whose life he touched.

“ Our deepest sympathy to your family. And, our sincere gratitude for sharing your wonderful husband and father with us for the time he was here on earth.

We were blessed to get to know him through softball at Eastern Greene. He umpired many games with our middle daughter, Abby. She was and still is, as a junior in high school now, a catcher, so she spends quite a bit of time with various umpires. It was a highlight indeed for us to come to games and see his smiling face! We had many conversations with him through the years and enjoyed his happy attitude and love for the game and those learning it.

He was a wonderful man and will be deeply missed.

With love and sympathy,

“ I am sorry to hear of Randy's passing. We thoroughly enjoyed Randy's passion for Sports at Eastern Greene. I have had the pleasure of working with Randy in softball when he officiated and I coached. He truly loved working with the kids. He and his son, Nick, coached my daughter Scottie in softball and they loved the game. Let's face it, Randy enjoyed life and athletics. He loved working with young people! I often enjoyed talking with Randy and his passion for life was evident in his voice and expression. He will be greatly missed. God Bless you Randy, I am glad you are pain free again!
