Randy was a kind loving man. He enjoyed many things in his life, especially his family. He spent as much time as possible with each and everyone of them. Whether it was going fishing, which he enjoyed a lot or helping the kids with their 4H projects, he loved exploring caves in his younger years and going to Florida and being out on the beach, or sometimes just being at home watching one of his favorite TV shows. He always had a healthy appetite and loved home cooked meals, but he also would not turn away a good burger. He worked many years for Indiana University starting out as in housekeeping and worked his way his way to supervisor of maintenance. He was dedicated man when it came to make sure everything went smoothly, always going into work just to make sure things were in order.

There are so many things I could say about my dad but that would take a lifetime. So, dad we thank you for being a great father, stepfather, uncle, grandfather, and friend We love you and will miss you. Rest peacefully in heaven and tell everyone we said hello.

A celebration service will be planned at a later date. Cremation Rites have been accorded.
