“ *I didn't have the pleasure of meeting Raymond, but I am a very good friend of Mrs. Karen Cummings (his sister). She kept me informed of Raymond's illness. He was baptized and had made peace with God, and Jesus Christ our Lord and savior.*

*I prayed that he could die with out pain, and suffering, and be with his family. My prayer was answered.*

*May God wrap his loving arms around all the family at this sad time. Comfort yourself's with the fact that he is in a better place, no more worries, no pain, and suffering.*

*Raymond made all his arrangements, and paid for them. He even had platters of food for his loved ones paid for at the funeral home.*

*We wish to offer our condolences to all his loved ones.*

“ We have known Raymond a long time from our neighborhood. He was an interesting person and talented handyman who had a huge heart for helping others. The world has lost a kind and gentle soul. We will miss Raymond greatly. Blessings and peace to the family, and to Raymond.

“ My thoughts and prayers are with all of the family at this difficult time. I am honored and blessed to have been able to be a small part of Ray's life. He was very special and such an inspiration. I hope you find comfort in knowing that Ray helped spread the word and share his faith. I will always cherish the four roses.

“ I'm so sorry to hear about the loss of a loved one. It is never easy. We just need to believe they move on to a better a place. RIP Raymond.

I do have a story to share that my mother loved to tell over and over again to whomever would listen. God rest her soul, she has moved on as well.

I was in the neighborhood of 14 or 15 years old. I lived next door to two of Raymond's sisters.

On one beautiful summer day while my parents were out shopping, I got a knock on the door. It was Raymond with a BIG gash in one hand and a bottle of whiskey in the other asking me to "sew" it up! I agreed not understanding what I was about to do but wanted to help a friend. Thank goodness my parents came home in the nick of time and sent him to the hospital! Luckily, we both survived another day.
