“ Diana,
I am so sorry that I got so far behind
in reading my newspapers. Dave has been
a friend of mine for years. I had him handle
my purchase of Matthews Mansion. He will be
missed by all. My thoughts and prayers are
with your family.

“ Diana, I am sad to hear about your loss. Dave was a big part of my younger
years, and I am very thankful that I was able to see him one more time last fall at
the reunion in Somerset.

“ Diana and Shelley
I am sorry I missed you on the day of visitation. I had to come early before you
arrived. I noticed the love your family had arranged in the display of David's life.
It was a joy to have been in your home when Betty and I became the first
Ministers of NCC here over 32 years ago. Your witness for the Lord down through
these years has been deeply appreciated.
Now may you continue to sense the Lord's loving presence keeping you close to
His heart assuring you of His tender care and His comfort by His grace.

“ David was wonderful. When I moved to Bloomington I was a single, woking mother of 2 and he would take me out on weekends to look at homes. He was careful to keep me looking at homes that were in good nieighborhoods for the kids and were not in a flood zone. He made my transition into a town were I knew no one much easier. He will be missed.

“ David was the first broker to hold my Real Estate license. I learned a lot from him, especially in the way he could bring people together in a calming way,
