“ Mom it's been 9 years without you here & I'm still missing you so much - we had rough beginning then you became my best friend I told everything too & called for answers about everything..now there's no one to fill you shoes or I can go to. Everyday I miss you. I don't think you'd like this world now it's horrible. I wish I could've bought the house I still can't drive by the house Pop built for you & him. Your all together now, soon I'll be with you all too. That's the city I'm longing for this is not my home I'm searching for the city whose builder & maker is God! We all miss you. I love you! See you soon there's not much time left... it's so hard here. Bye now. Thank you for loving me.

“ Wayne, Steven, Stuart and Beth,
I wish I could be there to deliver some comfort in person, but I cannot. Please know that our thoughts and prayers are with you. I am so grateful that I got to spend some time with your Mom the last time I was in town, to hear her laughter when Beth, Sherri and I were reminiscing about the family gatherings at the farm. I will remember that fondly always. God Bless You
