“ Sara, So sorry to hear about Rhoda. My condolences to you and the family. I hope to visit Mon. but have health issues [walking] plus seriously ill family members and can't say for sure that I will be there.

We had such good times growing up and now so few of us left. Margie died two yrs. ago and Martha is in a nursing home with alzhimers [sp.], Victor & Elmo both gone as well as most of their friends and like you I'm the only one left in my family. GOD BLESS YOU and hoping your health is good.

I feel so bad that Rhoda didn't seem to want to visit anymore altho I called her a few times. Fred's nephew, Wayne Jones, graduated in my class, BHS 1951. He tried to get her to come to our reunion but no she wouldn't.

Take care.

“ All of my life, Rhoda always had a great sense of humor, a tinkle in her eye when she was up to mischief and a beautiful spirit. She was a strong woman who worked hard supporting her family and her household and she was a great aunt to me. Always treated me with love and I will seriously miss her. Love you Rhoda!!!
