“ I'm so sorry for your loss. Richie was a close friend of mine in high school, and I have many happy memories of the time we spent together then. After losing track of him since my move from Indiana, I felt lucky to reconnect with him again on facebook. Richie was a good man with a big heart, and I valued his friendship. He will be missed. My thoughts and prayers go out to you during this sorrowful time.

“ I am so sorry about Richie. Its been a long time since I last saw him but he has crossed my mind over the years. We went thru some very turbulent times together but as I often look back, I know he helped me become a much better person. I always wanted to tell him that. I am surprised at how shaken up I am about this even after all these years!!! Richie had a very kind sole & it is my hope he was able to find his happiness. Again, I'm so sorry for all of you.
