VH

“ So sorry for your loss. I met Dick at Hardees where my husband, Amos, was also a member of the breakfast club. Before my husband's passing, when he was too sick to go into Hardees, I would take him to the parking lot and Dick would come out and talk with him. What a real friend he was. My husband always envied the way Dick kept his cars so clean and shiny. Prayers for comfort for all the family.
