

River Scott Flynn

December 31, 2018 - July 3, 2019

River Scott Flynn, 6 months, passed away on Wednesday, July 3, 2019, at Riley Hospital for Children in Indianapolis at 1:10a.m. He was born in Indianapolis on December 31, 2018 at 9:32 pm. He was a 24 weeker weighing 1lb 7oz and was 13 inches long. A sweet little bundle of joy to Tyler and Samantha (Eads) Flynn. He was their miracle and always will be.

River was loved by all whom he encountered, always happy and smiling. River was a fighter from the beginning and the light of his parent's life. He lit up the whole room when you walked in with his big blue eyes and big smile. River loved to cuddle and get all the attention he could. He would melt your heart. He showed his parents the power of love. They fought hard for their child and love him with every fiber of their being.

River's short life here on Earth was filled with nothing but love and he never knew any different. River will live through his parents and will always be remembered. He filled their lives with love they could never begin to understand and he will always be with them.

River is survived by his loving parents: Tyler and Samantha (Eads) Flynn; fur-sister: Bam Bam; grandparents: Jeff and Chris Flynn and Ronald Eads; great grandparent: Thelma Flynn; Aunts and Uncles: Ronald Eads Jr., Debbie Welch, Lori (Kelly) Friend, Crystal Eads, Amanda Eads, Sean Chapman, Cory

“ Our hearts are so heavy for all of you. No one can imagine the pain & heartbreak of losing a child or grandchild but we have to believe & trust that God had a bigger plan for those babies we have lost. Even though River was with you such a short time, always remember to treasure those days that you were able to share with him & remember all the love you know that he felt from all of you. He is BLESSED to have such wonderful parents & grandparents who love him so very much. GOD BLESS & be with you all during this most difficult time. Our Prayers are with all of you.
