“ I would like to offer my deepest condolences to your family. I have knew Bob and thought of him as a very good friend for many years. I first met Bob when we both worked at Royal in the early 90's. We shared many good times as we both worked our way up in the car business, and will always hold those memories close and dear to my heart. I concern myself a lucky person to have had Bob as a friend and will miss him greatly althought he will never be forgotten.

*The world may have lost a wonderful man but Heaven has gained a wonderful new Angel, and each and everyone of Bob's friends and family now have a guardian angel to watch over and protect them.*

*Your family will be in my prayers and thoughts. God Bless each and everyone of you.*

“ Dearest Sooz,

*Death leaves a heartache no one can fill, love leaves a memory no one can steal.\* How true this is. I am praying that soon your grief will be replaced by the sweet memories you have of your son and in the meantime you will find comfort in being surrounded by so many who love and care about you.*

*God's blessings on your and your family.*

*Love, Donna*
