

Robert "Bob" William Culver

March 14, 1957 - February 17, 2020

Robert (Bob) William Culver (3/14/1957-2/17/2020)

Bob passed away unexpectedly at his home in Bloomington, IN. He grew up in Mondovi, WI and after serving in the US Navy, he settled in Bremerton, WA for many years. Bob moved back to Wisconsin for a short time before his job took him to Virginia and then to Bloomington, IN where he worked as a contractor for Crane.

Bob loved every aspect of his life, from the work he did, the people he worked with and his friends; he truly enjoyed any time he had with them. His greatest passions were his family and being outdoors, his children and grandchildren were his world. His love of the outdoors included biking, hiking and most of all, fishing. His sense of humor and smile were his trademark.

He is survived by son Justin, Seattle, WA, daughter Ashley, Bloomington, IN, parents Cliff & Delores (McCann), Cameron, WI, sister Debra Gudgell (David), Brooklyn Park, MN, brother Bruce (Kelly) Bremerton, WA, grandchildren Marshal, Paige and Aeden, and one granddaughter due in July, several nieces, nephews and aunts and uncles.

A celebration of life is being planned for a later date in Bloomington, IN. Allen Funeral Home and Crematory, 4155 S. Old State Road 37, Bloomington, have been entrusted with arrangements. Online condolences, photos and memories may be shared with family and friends at www.allencares.com

“ I was shocked and saddened to discover that my good friend Bob had passed away. He moved into our lives as a neighbor, and soon ingratiated himself as a family member. He had a great heart and sense of humor. He was always using his expertise in helping with any and all projects. But our fondest memories are of the good times we had after working on those projects, relaxing, listening to music, sampling bourbon, scotch, or beer, while laughing and telling stories. We had a great trip to the Kentucky distilleries and Bob was discussing a return trip with our family later this year. Bob, you will always be a member of our family. My thoughts, prayers and deepest condolences for Bob's family and friends. God Bless-

“ My husband and I live on the same street as Bob. Although we didn't know him well we did have an opportunity to chat briefly on Halloween when he brought his grandchildren to our house for trick-or-treat. May your family find peace. We're thinking of you. Erin and Kevin White

“ *Bob was so full of life and I loved to hear his stories. He had a tale for just about everything. I shall miss our brainstorming sessions and our collaboration efforts regarding configurations. He was like a little brother to me. I will miss his laugh most of all.
Prayers for the family.
