“ Please accept my deepest sympathy at this very difficult time. Bobby was such a big teddy bear with a heart of gold. He loved his family more than anything and I pray that God will comfort you all now. He was a very distant cousin to me but he always treated me the way I imagine he would have treated a sister. He always had a smile on his face everytime I saw him and he always left me with one on mine. I will miss him terribly. I will not say goodbye to him, only see you later. I love you Bob!
