“ *It is with a saddened heart that I learned of Bob's passing..I know he has been suffering for a long period of time, and I believe his sprit now dwells with other kind and gentle spirits as Bob is. I will never forget the good times we had singing together while in high school. We had been seperated for many years, but renewed our friendship a couple of years ago. Bye Bye Love and Maybe tomorrow we will meet again.*

“ Mother, Hesven is much sweeter with daddy there and I know he is singing in heaven right now. I will miss him so much! But I will take what he instilled in me and pass on the beautiful smile that he gave to me. Even though it was not our time for him to go. God is always right on time. His memories live on through each and everyone of us. This is the day that GOD has declared BOB SHIELDS day! What a celebration they are having in heaven.

I love you daddy.

“ Dear Becky and Family, Bobby a first cousin to me was like a brother when we were children, even though his age is 10 years deference from mine he still took the time to play with me on visits to Bloomington to see Grandma, and when he became a teenager he and his brother Don would ask me to go ride their motor cycles, but my Dad would always say no. But on Saterday nights would get to see him and Don playing rock an roll music on the town square with all those friends having great fun. I send my regrets to you for not being able to be there. I send my best regards and respects to our family, Amen

“ Bob & I go way back to the early 70's at IUPD. Bob & I were good friends & the thing I will remember about him the most is the love of his family. He was a stand up guy at work & I am so glad to have been a part of his life. So long old friend until we meet up again.

*I can't comprehend just how sad you must feel
For the loss of someone you love.
This sorrowful time must still feel unreal
And you're looking for strength from above.*

*I hope, from my heart, that your pain will decrease,
That your spirit will gain strength again,
And I pray that your faith will create inner peace
And that God will send blessings--Amen.*

*Till then, if you need me to lighten your load,
I'm waiting to come to your aid.
Just call on me, and I'll walk down that road,
Until the dark times start to fade.*
