“ I was so sorry to learn of Bob's passing. I would like to have attended his service yesterday - but with only a day's notice via the obituary was unable to change other commitments. I had the pleasure of working with Bob for over 20 years at American States Insurance. I was often his contact person in Human Resources and we got to know each other well. Bob was compassionate yet professional, and was liked by everyone. Condolences to the family on your loss of this gracious man.

“ To: Sandy, Jeff, Mark, and Vicki. I have had you all on my mind. Words do not express my sadness. I am so glad that I was able to spend Christmas with Bob. Especially good was the conversations of the Vaught kids on vacations with dad. We sure did a lot of laughing as we enjoyed Christmas dinner with those we care deeply about. Memories of those days with your dad will get you through your darkest hours. My sincere sympathy to each of you. Vicky.
