“ I was very sorry to hear of Bob's passing away. I send my love and condolences to Samantha and Bob's family. I will always remember a generous and kind man who loved his little girl and loved being on the water. He was a thoughtful and attentive friend, always ready for fun.

“ I am missing Bob now but have missed him for many years now. I enjoyed many good times with Bob and his family and friends. He made me part of that group as he did with many people. There weren't many strangers around Bob. I'll never forget the many hours I spent playing darts in the garage on Staats with Bob. A ski trip to Michigan. Boating on Lake Monroe. And of course a beer or 2. Love and peace to all. Hope to see you at a Memorial.

“ Dear Samantha...

I am so very sorry you lost your Daddy.

I knew your Daddy many, many years ago. He was good friends with friends of mine, Sherry Rouse and the late Regina Miller.

When your Daddy worked at Stevens Olds Honda, he sold my best friend, Suzanne Henry, a Honda. He cracked that he probably made \$1.00 on the sale!

He was a very nice man and he loved you dearly, Samantha and talked about you all the time.

God bless you, dear, during this very difficult time.
