“ Kathy, I am so sorry to hear of the passing of your Dad. He was always so kind to me as a teenager. I remember him driving our little group to games, dances and take us home from visiting your house. I am sending my deepest condolences to you and your family.

Kathy,
So sorry to hear of your Dad's passing. You were always his sweet little girl that could whip her weight in wild cats. He will be missed but you will meet again. My thoughts and prayers are with you and your family.
