“ I'm sorry to learn of this loss. I highly respected him and always was a pleasure discussing political perspectives with him. A kind and caring man. I remember when he once came to my house to try to help when I had a ruptured disc. And such a great family too...Phyllis, the boys, their wives and kids. A good man and he'll be missed. But thankfully, he's on to a much better and more wonderful life. I just learned of this today ... I missed it in the obituaries. Hopefully I will have a chance to pay a visit.

“ David and I send our sincerest condolences to the Walker family. When we would visit him we would reminisce of the years (40+) that I have known and loved him. He ALWAYS wanted to discuss politics with David. What a dear, dear man. My heart aches but I celebrate and rejoice his home going and look forward to the time we'll see one another again. Our thoughts and prayers are with you at this time. Sincerely, Valda & David Frizzell

“ We grieve together in the passing of our beloved Bob Walker. We are sorry we can't travel to Indiana this week but we certainly are with you all there in spirit. Bob was a tremendous influence for good in my young life, and in the later years he continued to make a major impact on the entire Munger family of cousins. I remember good moments of visiting with him this summer as well as throughout the years. The Christian mission in Africa was greatly enhanced by the efforts of Dr. Bob and Phyllis Walker.
