

Robert Wyatt Riley

December 7, 1998 - August 19, 2010

Robert Wyatt Riley, age 11 of Bloomington, passed away Thursday afternoon August 19, 2010 at the Riley Hospital for Children in Indianapolis. Wyatt as he was affectionately referred to as was born in Lake Forest, Illinois on December 7, 1998 to Robert E. and Jennifer Atkinson Riley. He had attended his first day of Fifth grade at Binford Elementary on Wednesday of this week before his death on Thursday. Wyatt enthusiastically involved himself with the PALS Organization, the Adaptive PE Program at Indiana University, the Fogerty Music Program and various activities at the YMCA here in Bloomington. Wyatt's love of music, trees, balloons, and all things mechanical was only surpassed by his charming, pure and selfless nature. He truly didn't know a stranger. Wyatt leaves behind his parents, Robert and Jennifer Atkinson Riley of Bloomington; his older sister Erin and younger brother Jackson, also of Bloomington; his paternal grandparents Ronald and Jill Riley of Beech Park, Illinois; his maternal grandparents Arthur and Nancy Atkinson of Bloomington, and many, many loving aunts, uncles, and cousins. A Mass of Christian Burial will be held on Monday August 23, 2010 at 10:00AM at St Charles Borromeo Catholic Church where Wyatt and his family are members. Visitation will be held Sunday August 22, 2010 at the Allen Funeral Home 4155 South Old Highway 37, Bloomington from 3:00PM until 8:00PM. Memorial contributions may be made in memory of Wyatt to the Williams Syndrome Association at www.williams-syndrome.org.

“ Simply put...Wyatt is the best! I am so glad I got to know him at IU's APE program. His smile and sweet personality were contagious, and for that, I am thankful. I am sure that anytime music is played during the program, Wyatt will be thought of by the staff and participants. God Bless your family and loved ones.

“ Jennifer, Rob and Family, Sorry to hear about Wyatt's Passing. He rode my bus several years ago to Templeton, I still remember the snow storm we had one winter day about the time school got out, Traffic was backed up everywhere, vehicles were in ditches, roads were almost impassable, we were running very late, the kids were getting grouchy and tired of sitting in traffic, but Wyatt never complained, he just sat there looking out the window, watching the snow, and every once in a while he would take a deep breath and sigh a little, but never saying a word. I'll always remember him, such a sweet kid.

I lost my son 27 months ago and can testify to the fact that keeping your eyes fixed on Him is the balm that comforts a hurting heart. Gentle hugs of sympathy to Wyatt's family and friends.

“ I am so very saddened by your loss. I can not imagine the hurt all of you must feel. I didn't have the pleasure of ever meeting Wyatt, but i came to love him through his Mimi. I cherish those stories and antic and will forever remember all the love he was give from such a loving family. He is with God, being held in the safest, sweetest part of his heart, until we meet him again.

"To Where You Are"

*Who can say for certain
Maybe you're still here
I feel you all around me
Your memory, so clear*

*Deep in the stillness
I can hear you speak
You're still an inspiration
Can it be (?)
That you are mine
Forever love
And you are watching over me from up above*

*Fly me up to where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile to know you're there
A breath away not far
To where you are*

*Are you gently sleeping
Here inside my dream
And isn't faith believing
All power can't be seen*

*As my heart holds you
Just one beat away*

*I cherish all you gave me everyday
'Cause you are my
Forever love
Watching me from up above*

*And I believe
That angels breathe
And that love will live on and never leave*

*Fly me up
To where you are
Beyond the distant star
I wish upon tonight
To see you smile
If only for awhile
To know you're there
A breath away not far
To where you are*

*I know you're there
A breath away not far
To where you are*

May God bless you all.

I am sooo proud to have known Wyatt, he was just pure joy and energy and I loved every minute we were able to spend with him at christmas and the reunions! He was awesome to watch at bucaneer bay!!!! I remember the first time I held him as a baby he threw up all over me and as he got older I remember his great hugs whether you wanted one or not. Then in the last few years his awesome handshakes! It didnt' matter if he saw you 10 minutes before, we were still worthy of his time and we got another handshake, He made eveyones day brighter and made everyone feel special. All our love and prayers!!!!!! Becky Barrett and the boys!

“ We are so sorry to hear of your loss. We were privileged to have Wyatt help us with our TEACCH training the last 2 years. He touched the lives of many teachers who attended the training and taught them skills that they are now using with their own students. But for our training team (from North Carolina as well as IRCA) the one thing that stood out about Wyatt was his bright spirit- everyone loved being around him and working with him. He will be sorely missed.

Our thoughts are with you all.
