“ *Brian and Susan,
I wanted to express my condolence's to you and your family on
Bob's passing. I just can't get away soon enough from the news to
make to Bloomington tonight(Wed).
Bob was a good friend and big part of my life here at WTWO. I don't
know how many "Bob Beall" stories I've told. He gave me a chance
in sales and, literally, kept me going in this business. I'm still here,
anchoring the news, among other things. Now, I'M the oldest person
here. Will celebrate 42 years in the building in August.
Again, my sympathies. Bob was a good man and meant a lot to me.

to share our sorrow with Mr. Beall's family and friends. We loved our
visits with him and will greatly miss seeing him at the library. He was
always such a voracious reader and his support of the library was
generous and constant!*

“ *Dear Mimi, Brian, Carol, Susie, Tom*

Bob was one of the tall, good-looking cousins--along with Ted Carter and Dick McMunn, as my youthful memories go. He certainly was strongly his own person. I think that the last time I saw him and talked at any length was in Savannah when he and Patty joined me for supper one evening. (I was there consulting on a project.)

My prayers are with you all, and I hope that Greenwood will lend a quiet restful setting to your final moments with him.

Love to all--especially the next generations of Carters!

“ *Brian and Susie:*

I am so sad to hear about the passing of your father. I worked with him at WTWO TV for several years and he was a wonderful boss. He talked with such love and devotion about his family.

I lost my husband eight years ago this June and it has been extremely difficult for me. The last time I saw your father he came to visitation with Jerry Tiller. I know he was not well.

My prayers are with you and your families.
