“ My condolences to the family of Rodney. We was a special friend when I was growing up. 8th grade when I needed a friend he and Eddy were there to hang out with, miss those days but over the years we touched base a few times and I Just want to say I’m sorry for the lost of such a great person but glad his suffering is over and he is in heaven until we all see him again.

“ I have so many memories of Rodney.  
Jesus said we should love the Lord with all our heart,  
mind & soul & love our neighbors as ourselves.  
Rodney taught me the importance of being a good neighbor.  
One of my fondest memories of Rodney was a hot summer day  
when I mowed over a big rock and messed up the blade on my  
mower.  
Rodney let me use his mower and said I could pay him back by  
baptizing him.  
I will never forget the look on Rodney's face when he came out of  
the water.  
That rock I hit with the mower is still on my desk as a reminder of  
Gods Amazing Grace & my friend Rodney.  
I will miss you brother!  
No more pain dear friend  
No more pain.

*Rest in the LORD .*

*In Christ

“ We only know Rodney through his parents Bill and Dee. We share  
their grief at his loss and wish peace for Rodney's entire family.  
From Tennyson's In Memoriam - "Thy voice is on the rolling air; I  
hear thee where the waters run; Thou standest in the rising sun,  
And in the setting thou art fair." George and Regina Lewers,

“ Rodney was my friend and a great person. He and I shared many laughs over the years. He was genuinely a kind and faithful person and he especially loved and truly appreciated his amazing wife Maritza above all else. He was also a great dad to his dogs. He was always honest which is a trait I search out when making friends. He was honest with friends and even to strangers he met on the car lot in his years of selling cars. Rodney once got his Real Estate license and joined my brokerage which I was so happy about. I will truly miss our talks about stocks and cars and other good friends and this crazy life. RIP old Friend you are already missed here on Earth by many of us.
