“ I just learned that Roger passed. Our families lost touch long ago but our son, Jonathan, was best friends with Kenneth and they went to school together in Vacaville many years ago. My memory of Roger is that he was a loving, giving man, a gentleman. We remember when you invited Jon to Canada one summer and he had such a wonderful time, being part of the family, the third kid! Thank you, and God bless you at this time.

“ I didn't know Roger well, but he seemed to be one of those men of God who quietly went around taking care of His children. I well remember him helping me to become computer literate with Word Perfect when I needed to get back into the job market. I remember his and Kyomi's loving support of our family during some hard times. He's safe in the arms of Jesus now, and I look forward to seeing him again some day.
