“ *Colleen,*

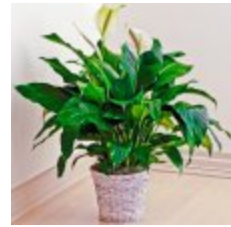

I'm sorry I missed Roger's tribute. I just had back surgery and I'm kinda sick from the drugs. I ran into Roger just a few weeks ago. We talked forever. An IU mail service employee saw us and came over and joined in and we went on and on. It was great. Then I heard the news of his passing and I've been in shock. We were such good friends, we always had each other's back. I truly miss him. Roger always made people feel better about themselves. It was a gift, I think. Take care
