“ Ron and I are fraternity brothers in A.T.O. from Rose Poly in Terre Haute, Indiana. Additionally we were roommates when we lived in an apartment for a semester while we were in school. He was a pleasure to know and I remember him although it has been over 50 years. Chuck Huppert, Silver Spring, Maryland.

“ My naive daughter was caught with drugs in 2007 when she was 20 years old. Not having anyone in our family arrested and taken to jail before, my husband and I had no idea what to do or who to ask for help. Finally my husband called his old friend who has worked in the prosecutors office for years and asked for her advice. She said Call Ron Chapman, we hate to go up against him because we always loose. I called your Dad, he was so good to me and my daughter. Walked us through the entire process. He kept her from being sent to the women's prison and got her sentence reduced. We found out later he had done this many times over. What a loss for the community and especially for you, his loved ones.

“ *In the summer of 1978, Ron hired me as a law clerk for his law office, which was then located on 4th St. I've always given him some of the credit for my having a long and successful legal career because he got me started.*

I left Bloomington in 1979 for a job in Fort Wayne and returned in 1991. Ron helped me get re-acquainted with the legal community by, among other things, introducing me to the lunch group at the Elks. Although we ran in different circles in our practices, Ron always greeted me as a friend when I'd see him at the Justice Building or the Kroger parking lot.

*My best to the family. He was a wonderful man. It was a privilege knowing him.

“ After arriving in Bloomington in 1992, I first knew Ron as a friend and later as an adversary. At all times, Ron, a great American, was also invariably polite, professional, witty and a staunch advocate for his clients. He was a role model for his profession and, no doubt, for his family and friends. He will be missed by many.

“ I was saddened to hear of Ron's passing. I truly enjoyed working cases with him even though we were always on opposing sides. He was a true professional and a pleasure to just sit and talk with. He never spoke of his tremendous academic and military background, but I wish he would have. To borrow a phrase he liked to use, Ron was truly "a scholar and a gentleman." I will miss him.
