“ God saw you getting tired, and a cure was not to be. So he put his arms around you and whispered, ‘Come to Me.’ A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, he only takes the best.” i 💖 U papaw

Well Pop was in the hospital, Danny and I went to go see him, when we got in the room the first thing he said was you got your hair cut, I said yah do you like it? With no hesitation he said NOPE!!! He said he it's short, I like long hair.... We all laughed and I said we'll at least your honest!!!! Lol
