“ Ron always “picked” on me when we were together. He said he used to pick on my Mom they were in the same class. I lost her when I was 5 so he had no idea how much his “ picking” on me and telling stories meant to me. Ron was always kind to me and I will always remember that. To the kids ... please know how sorry I am for the loss of your dad. Find comfort in God’s word. Love you all .

Sorry for the loss of your dad. You girls took good care of him. I had a crush on my good looking older cousin, Ron! It was so much fun to go to the basketball games with aunt Dorothy at the Gaston gymnasium to cheer on Ron and the Gaston Bulldogs.
