“ *I was very saddened to hear about the passing of Rose. She will be missed by me and my family on many dimensions. With her passing, I have lost a confidant and my five children have lost their 'Nanny.' In addition, she was a loyal staff member at my clinic from the time it opened until many years later when she retired. We all have loving memories of our time spent with Rose.*

*Aunt Rose will be missed. I last saw her 1 1/2 years ago at the family reunion. We had a great time even though there were several rattle snakes that came to visit. You will be missed. Doug Askren*
