“ *Eileen, Tom and all of you, I'm sorry to read of the death of your mother. I read that she was at Bickford in Crawfordsville, and must tell you I live just a few miles from there in Darlington! I've been sending greeting cards to Bickford for several years now, and I hope she got to see them. I wonder if she made the connection that I was a neighbor boy who used to help your Dad farm!!
I remember your mother from those long ago days with great fondness. She was a wonderful lady, and my deepest condolences are with you.*
