“ I was so sorry to hear of the passing of Roy. I was one of Roy's nurses that took care of him at St. Vincent hospital in Indianapolis back in the early 90's. Roy was a wonderful and couragous man who's heart was the single greatest gift he had to give. I will miss Roy and I know that where ever he is he is watching down upon his friends and family with a warm smile.

*With deepest sympathy.

“ I am deeply saddened to learn of Roy's departure. Over the past several years I have from time to time tried to locate him -- but didn't find the right combination in searches until a few moments ago. We were stationed together at Barber's Point Naval Air Station during the early 60s and often conversed at length about a variety of topics. I treasure the meomory of his gentle friendliness and unfailing good humor. God bless him, and bless you and your family.

“ Norma,
I was so sad to hear of Roy's passing. We have moved and I was unable to come and see you. Roy was a good, sweet man. I know you will feel lost without him, but know that now he is above watching over you and protecting you from above. He is not gone and will live on in your heart and your fond memories of him. Many prayers and love coming your way.

“ We are saddened to learn of your dad's passing. He was a great person, and wonderful family man. I recall fondly the years at Tulip Tree and the interactions of our families during that growing up period. May you all be comforted not only by your wonderful memories of him, but also by the joy and happiness all of you brought to his life these many years.
