“ To my friend, Tammy: Your mother was so lovely to me back in the "Hunter School days" and I will always remember her with great affection. Her kitchen was such a warm, happy place to be! Your dad took us along on trips and once to see the Cardinals, remember? I picture Mrs. Shiflet picking tiny bits of KFC off the bone to hand-feed that fiesty little dog, "Tuffy," who got to go along for the ride. How he'd snarl at us if we came too near them! I still laugh. She spoiled us all -- God bless her! Love, Tracey
