

Russell Percifield

October 12, 1963 - May 2, 2022

Russell Percifield, 58, of Bloomington, Indiana, was released from his long battle with glioblastoma on May 2, 2022. He will be remembered for his strength and positive attitude in the face of a terminal diagnosis over four years ago.

Russell moved to Bloomington from Columbus, Indiana to attend Indiana University and made it his permanent home. After college, Russell spent his professional career in banking. He retired from Peoples State Bank as Assistant Vice President and Branch Manager in 2018.

Russell's love language was acts of service. He put the needs of those around him above his own and downplayed his illness so as not to make others uncomfortable. He will be remembered as a gentleman. He should also be remembered for his intelligence, quick wit, generosity, kindness, love of fast cars, dry martinis, and dad jokes. Russell and Jill shared nearly 40 years together with their cats, enjoying travel, work, quiet times, ups, downs, and all that goes with a life well-lived. He was lovingly supported by his friends and family, his Monday night crew, his cancer club support group, his former colleagues and employees, his doctors, and finally, the staff at Hospice House.

He is irreplaceable to his partner Jill Robinson and their cat Cupcake. He is survived by his family including his parents, Lewis and Jean Percifield, sister Karen Busch, sister Luann Welmer (David), and brother Steve (Glynis), all of Columbus; and by his Robinson family of mother Margaret Robinson and

sister Julie Robinson of Richmond, Indiana, sister Marlene Fulcher (Robert) of Bloomington, and brother Scott Robinson (Courtney) of Cincinnati, Ohio. In addition, he is survived and treasured by nieces, nephews, aunts, uncles, and cousins who played an important part in his life.

A Celebration of Life will be held from 4:00pm to 7:00pm Thursday, August 4, 2022 at Deer Park Manor 1501 East Hillside Drive Bloomington, Indiana.

Memorial donations may be made to Pets Alive at www.petsaliveindiana.org or mailed to: 2444 South Walnut Street, Bloomington, IN 47401.

Cremation Rites have been accorded. Allen Funeral Home and Crematory have been entrusted with arrangements. Online condolences, photos, and memories can be shared with Jill and both families at www.allencares.com.

“ Russ and I started out as coworkers, when he started at PSB. I thought he was a little stuffy at first, but it wasn't long before the witty, fun loving Russ emerged. Taking Sweet Cheeks on vacations , and buying him koozies to wear. We became good friends, he was like the brother I never had. We kept in touch after Russ's diagnosis , visiting him (and Cupcake), El Ranchero lunches. I will always cherish his friendship, and he made me realize I needed to actually do things on my bucket list . These last few years, I have completed a few of them . I will miss my good friend- RIP Russ.

“ I will so miss the sight of Russ driving around his slick car in Bloomington, and the corresponding nod when we'd make eye contact. But I will especially miss this fun guy on Monday nights because of his sense of humor and his excellent drawings. Rest in peace, friend.
