“ Ryan and I spent a lot of time together between first and sixth grade and lived in the same neighborhood. When I moved away we lost touch. I tried to reconnect with him a couple of years ago after seeing an interview with him NUVO and we did talk briefly but were never able to get together. I'm so sorry for your loss. Even at that young of an age Ryan was an exceptional and special person who made a lasting impact on my life. We shared a lot of interests in art and music and although we lost touch I always remembered and thought about him. Reading all of the online posts this past week has made it even more clear how many lives Ryan touched. My sincerest condolences to your entire family. You are in my thoughts. I have a son Nils age and I am especially saddened that Ryan's life was cut so short. He will be missed.

“ So sorry to hear about Ryan's death. I remember him as a cute little blond-headed boy who would play with my children, Jennifer and Evan. Hard to believe he is gone so soon. Thoughts are with Gene, Pam, Renee, and Jeff; as well as his wife and child.

“ I was saddened to see Ryan had passed. We had a good working relationship a few years ago. He seemed to be a good husband, and devoted father.

I will miss him sorely.

My condolences to you all.
