“ I was so sorry to see the passing of Sandy, and shared that with my husband, and only 5 days later lost my husband unexpectedly to a massive heart attack. A special prayer to Pauline, I was a friend of Pauline's Daughter Karen. I have great sorrow for the entire family. God blessings to you all.

“ I worked with Sandy at several different intervals over the last 36 years and she was always the the happiest, best natured person (and beautiful). I really enjoyed working with her and her smiling face. I had not seen her in several years as I no longer worked at Bloomington Hospital but I had I seen her out in the community I am sure we would have good memories to share! Karen Jessee RN
