“ We were blessed to have the Percifield's as neighbors many years ago. During the years that we lived across from each other, my two oldest children were in elementary school. Sandy provided love, care and lots of fun for Stefani and Matthew. For me she provided friendship and served as a beautiful example of a faithful Christian woman. The patience, kindness, compassion, and love she shared with her own family, my family, her church family and other people with whom she interacted made the world a better place. My memories of Sandy will live in my heart and the hearts of my children for as long as we live.
