“ It’s hard to imagine a world without Scott in it. He was one of a kind. He had a boundless energy. An infectious laugh. He was strong and kind and generous and loving. He had the biggest heart. I am ever grateful to have known him. And so very lucky to have been loved by him. He’s an unforgettable and irreplaceable man who shaped my life in countless ways. I’m so sorry he’s gone.

“ *I have so many memories of Scott in the many years I've known Him and being married to his big brother. I'll always remember that LAUGH! And his love of Pro Wrestling including MANY impromptu wrestling matches with the Brothers and alot of their their friends. Softball.. It was a lifestyle for the Wilkerson Boys and continues today. I'll miss talking to Him, he was there for me when I lost Todd for moral support and said all the right things. Huge heart and loved FAMILY. I know there was a big celebration when he got to Heaven! I'll never forget you.*
