

Scott Champion

February 21, 1984 - June 26, 2012

On Tuesday, June 26, 2012 Scott's bright spirit joined the angels in heaven, taking with him some of the light he shared with us during his brief time on earth. Born February 21, 1984, Scott attended Bloomington North High School, graduating in 2002. He joined the Navy where he served our country as a Corpsman in San Diego, the Persian Gulf, and lastly at Gaeta, Italy. After 7 years of active duty, he returned briefly to Bloomington, and most recently worked in North Dakota. Scott touched many lives, always portrayed a positive spirit, and brought out the best in others. He is survived by brother, Ian Champion; mother, Linda Robbins; step-father Terry Robbins; father Tom Champion; grandmother Charlotte House; grandparents Earl and Janet Robbins, many nieces and nephews, aunts, uncles, and friends he considered his brothers and sisters, and he loved them all. Funeral Services will be held 5pm Friday, June 29, 2012 at Allen Funeral home with Eric Gilpin officiating. Family will receive friends from 3-5 p.m. Friday at the funeral home. In lieu of flowers memorial contributions may be made to the Big Brothers Big Sisters of South Central Indiana in memory of Scott Champion.

“ Linda,
I am so sorry for your loss. I can't fathom what you and Ian must be going through. I knew Scott as a child, when his dreams and aspirations were to be a piolet and to save the world. He and Jordan were such great buddies. I remember them chopping down trees and building structures from trees and leaves for fun. What a tremendous loss for the earth, and all of us. I wish you God's peace through this, as it is not something any of us can understand.

“ Last time I saw Scott was in 2002 when he visited me with Nick and Yayha. We went to the loveparade in berlin and had such a great time together.

Scott was one of the most important persons during my exchange year in bloomington. I'll never forget how much he helped me when he realized how bad I felt in my first host family. He asked all his friends to find a new home for me what he did. Thank you Scott, you made my year in U.S. possible.

Loosing him is really hard. I always stayed in touch with this amazing guy and knowing not hearing from him ever again...there are no words!

I'll miss him! I'll light a candle for him!

“ I was blessed to have met Scott in Gaeta, Italy. He was truly one of a kind...kind, selfless, smart...there just aren't enough positive words to describe him. He will be missed by all who knew him. My deepest sympathies to his family and friends.

“ I had the pleasure of meeting Scott in 2002 when he took a trip to Europe with Yahya and Nick. He stayed at my parents' house and the following words can only be said about him from me and my family: he was a loving, sweet and kind guy. My Mom always remembers how well educated and good he was when he stayed at our place.

Scott will be sorely missed by all those who knew him because he truly was an amazing guy. Rest in peace Scott! Lesley & family

“ My deepest and sincere condolences to your family. I used to live near you in Winslow Ridge. Me and my brother used to play with Ian and Scott. Scott was an amazing guy, he always had that wide smile on his face. He had a great attitude, very respectful and admirable. We lost contact with your family, but I just want you to know that I have not forgotten about you all. Those memories are very much dear to me, and I'll always remember Scott as that little kid wanting to hang with the big boys. I will keep you in my prayers, and I hope you gain strength through this difficult time.

“ *My very, very deepest sympathies to the family. Nothing is worse than the loss of a child at any age. Scott and Justin were best of friends through high school and civil air patrol. Scott spent a lot of time at my house with Justin and their friends and he was such a nice polite young man to have around. I know Justin is heart broken as am I. I will keep you all in my heart and prayers. Marie (Shipley) Murphy*

“ There truly are no words to take away the pain of losing a child, but perhaps knowing he may have inspired another to look deep inside and realize what a fantastic gift of life we all have been blessed with may help. Time heals all, but time takes time.
