“ Kay, you will be truly missed! You was a wonderful person and you always kept me laughing. The day my sister(Sara Olmsted) introduced me to you was probably one of the happiest days because she was always extremely fond of you. She talked about you all the time and I was so excited and happy that she shared that part of her life with me. I grew very fond of you as well. The night me and you hung out and you taught me how to play black jack and dice that was an extremely fun night. You will always be in my heart. To her daughters Shelli and Kristy, I am so sorry about your loss she was truly an amazing person!!

“ Your family has my deepest sympathy. I am so sorry for your loss. Though the pain can seem unbearable, please remember that you are not alone. Psalm 46:1 says, "God is our refuge and strength, a help that is readily found in times of distress. Pray to Him for strength. Weep to Him when there are no words. He will really help you (Isaiah 41:10) because He knows what you're going through better than anyone else and He cares for you (1 Peter 5:7).
