“ Jerry and sons, Leona, Barbara, Rose, Wayne & Denver - I recently learned of Sharon's illness and am saddened that that she is gone. It is a comfort to know that she is no longer in pain and has a brand new body. I'm sure she is enjoying visiting with her Dad in heaven. You are in my thoughts and prayers. “ *Jerry and family - We cannot express enough our sadness as we learned of Sharon's passing. Her humor; her care of her family, neighbors, and garden are examples of the compassion she had for everything around her. Even though her body couldn't fight her illness - she will be forever part of our lives and please know that we are here for you and your family.*
